

„ALBA ANTIQUA“ 2012. Istrian Malvasia

VARIETAL COMPOSITION: 100% Istrian Malvasia

VINEYARDS: Western Istrian wine region, Buje area.

TECHNICAL DATA:

Production: 2000 bottles

Content: 750ml

Alcohol content: 13% by volume

Total acidity: 5,8 g/l

WINEMAKING:

Low yields, extraordinary grapes- from selected positions.

Alba Antiqua is briefly macerated (overnight skin-contact), fermented and aged for 12 months on the lees acacia barrels

Weekly battonage until the end of winter.

TASTING NOTES:

Exceptional malvasia -unusal, highly floral, with a touch of honey.

Medium-bodied, tasty, with long finish.

Alba Antiqua is primarily aimed at gastronomy, to be paired with intensive dishes but can also be served as a meditation wine

SERVING SUGGESTIONS: Serve at 14°C
