

# HERÈNCIA ALTÈS

## Benufet

### TASTING NOTE

The grapes of the centenary 100y+ old vines of Garnatxa Blanca of the Benufet vineyard will display an expressive nose of blossoms and tropical fruit. The intense colour is translated in both the nose and taste.

An intense and mouth filling sensation where the careful selection adds complexity and depth, the natural freshness of the grapes adds unity.

### ELABORATION

Our domain Benufet has one of the oldest vineyards in Terra Alta. The rich grapes of these low productive vines are manually harvested and cooled until 4 degrees before entering our winery to preserve the freshness. The fermentation took place in a modern conical concrete fermentation vessel.

### SOIL TYPE

Sandy (Pañal) and clay with some calcareous content.

### VARIETIES

Garnatxa Blanca 100%

### ANALYSIS

Alcohol: 13,5%  
Sugar 0,42 g/l  
Acidity: 5,4 g/l

### CLIMATE

Mediterranean with a marked continental influence bringing cold winters. Two dominant winds influence greatly the quality of our grapes. These are the "Cerc" a colder north westerly wind that keeps the grapes from losing their natural acidity, and the "Garbí", a mild sea breeze that makes sure that the grapes ripen correctly. Both winds also prevent disease and rot in the bunches.

### VINEYARD

Benufet vineyard  
100y old Garnatxa Blanca Vines  
450m above sea level.

### D.O.

Terra Alta

### ACCOLADES

90 Points Robert Parker

### LOGISTICAL INFORMATION

Natural cork - 45 mm

Cases of 6

Cases / Layer: Eur 11, Us 15

Cases / Pal: Eur 88, Us 135
